A Clean Lake  
is a Fun Lake!

2005

When you visit the lake remember, "a clean lake is a fun lake"! Always take your garbage to a trash can and never throw it in the lake. Help keep the fish happy by keeping the waters clean. Kids can make a difference!

Decorate the picture using crayons, markers—anything you want! and bring to the Rockvam Boat Yards, Inc. Ship's Store by **3:00 PM on August 13, 2005**. Prizes will be awarded to the best colored picture in three age categories: 0-6, 7-9, and 10-12. ALSO: There is a drawing from all of the entries submitted!
