Winter Storage

**Indoor Winter Storage,
Outdoor Winter Storage,
“Winterizing Only”,
Shrinkwrapping Services**

Our winter storage program is designed to be as convenient as possible. In the fall, drop your boat off at our dock and then return in the spring to pick it up - no hassle with winterizing or trailering!

Boaters staying here summer and winter find it to be a very “stress free” transition - just remove personal items like beach towels from your boat, and let us do the rest.

Indoor Winter Storage Includes:

**Inquire about convenient billing options.*

- Fall haul-out
- Winterizing the engine
- Trailer storage* **trailer not required*
- Heated battery storage
- Changing the grease in lower unit
(I/O and outboard)
- Comprehensive Service Review
- Spring launch
- Battery charge
- Engine start & lake test
- Spring clean up
- Gas discounts

Repairs & Service

**The Rockvram
Boat Yards, Inc.
Repair & Service
Work Advantage.**

Fall and winter are the perfect times to get your prop fixed, repaint the hull, get an oil/filter change, or add a swim deck and ladder to make those water activities and summer afternoons much more enjoyable.

As a part of our winter storage program you will receive a comprehensive service review just for your boat. Over the winter let our factory trained OMC-Cobra, Volvo, and Mercruiser Technicians take care of your service work so you are ready to boat when the ice leaves the lake!

Please call us at 952/471-9515 for a price quote. Make sure you ask for special fall and winter rates!

Shrinkwrapping & “winterizing only”

We have special rates and “early bird” incentives for the month of September. Whether it’s shrinkwrapping (the heavy plastic wrap to keep winter outside of your boat) or our convenient “winterizing only” service, make sure to schedule early for the best discounts!

Rockvram Boat Yards, Inc.

HOW DO I RESERVE A WINTER STORAGE SPACE?

- 1) Fill out and sign the enclosed blue contract**
- 2) Send contract with the required non-refundable deposit check ASAP!**

(space available basis)

Remember: Winter storage customers will be given first priority for the following season summer dockage and In/Out Service spaces.
